REPORT ON
BOARD OF DIRECTORS MEETING
STINSON BEACH COMMUNITY CENTER, INC.
MARCH 3, 1960

Herbert Bofinger, Treasurer of S.B. C. C. Inc and director from Progressive Club sent in his resignation effective as of this date. The Board accepted his resignation and elected Elsie Watts to fill vacancy for unexpired term as Director of Progressive Club (2 years) and she was also elected Treasurer of Community Center.

Financial Report as of this meeting disclosed cash on hand $3571.50
Bills payable 3403.61
Balance on hand 167.89

Included in Bills Payable were all invoices for lumber at site plus windows and glazing costs (Windows 836.00), P. G. & E. and incidental bills for supplies, etc.

It was also noted an amount in excess of $2200. had been received in response to letter sent soliciting funds for the Chapel Bldg. Fund.

A matter brought to the Boards attention was "ownership" of material things bought and paid for by member organizations for use at Community Center. It was the opinion of some of the Director s that a policy should be established now which would apply to the present as well as the future, feeling that when the Chapel is finished and ready to be equipped and furnished there would be no question as to actual ownership. Mention was made that the dishes, silverware etc bought and paid for by Allied Arts were the property of Allied Arts and the thought trend of some was if Allied Arts shows ownership why can't others. I am sure that it is the understanding of all of our members that the money we have spent for equipment has been for the benefit of Community Center and for the use of all concerned. This applies with the exception of some personal property such as lace table cloths and snack sets. These items do not come under the category of necessary equipment of Community Center.

I, the Secretary of S.B. C. C. Inc. checked into back records and found that the Articles of Incorporation covers the situation thoroughly and I quote

> "Article 11 - That the purposes for which corporation is formed are as follows: (1) To promote and further the interests and welfare of the residents of Stinson Beach, Marin County, California; to support and encourage the creation and maintenance of a common place for religious worship, and for charitable, social, educational and recreational purposes; to encourage the construction and maintenance of any and all proper and worthy community activities and enterprises, and to coordinate the activities of the people of the community and the interests of its residents, and to collaborate and cooperate with other organizations throughout the County of Marin having similar activities. (2) To purchase, lease and take possession of an enjoy, in fee simple or otherwise, any personal or real property necessary for the purposes of this corporation, and to sell, lease, deed in trust, mortgage or dispose of the same at the discreation of the Board of Directors of this corporation, and for the uses and purposes for which said corporation is formed."

I feel that Allied Arts should instruct her Directors to go on record with S.B.C. C. Inc. to the effect that all donations of material things provided by us are an outright donation to the Community Center for the use and benefit of all concerned.

Audre Sankey, Chariman Budget & Rate Committee presented Proposed Rates and Budget for 1960. Both were accepted by the Board.

The 4th of July Carnival was discussed and Committee appointed. Food Bar will be under the Direction of Parent Teachers Club and Allied Arts. Working schedule will be set up at a later date.

Harriet M. Greene, Director

Minutes of Allied Arts Meeting for April 22, 1960

The meeting was held in the Community Center Building with 40 members present. The minutes of the previous meeting were approved as read. The treasurers report showed a balance of #564.46 in the commercial account and #4,668.37 in the savings account.

Ruth Miller announced that a pricing committee would meet on May 10th to price some of the articles stored in the firehouse previous to the rummage sale. She also suggested that the Allied Arts buy some new equipment for the Kitchen, and asked Helen Drink and Margaret Rasmussen to meet with the Community Center house committee to decide what was needed.

Velita Ott announced a card party at Bolinas on May 6th, and Alice Cavanaugh said that the Stinson Beach and Bolinas schools were having open house next week and any one interested was welcome.

After this short business meeting the meeting was turned over to Virginia Shattuck appliance demonstrator for the Pacific Gas Electric company. She demonstrated the making of a number of delicious things which were later raffled. After a movie was shown there were more prizes raffled and tea & coffee were served. The meeting adjourned about 4 oclock.

REPORT TO ALLIED ARTS
ON BOARD OF DIRECTORS MEETING OF
STINSON BEACH COMMUNITY CENTER, INC.
OCTOBER 20, 1960

Financial condition of the S.B.C. C. Inc at present is as follows:

General Account Fund	1419.04
Memorial Fund	160.17
Chapel Fund	87.58
Reserve	3218.00

All current bills paid. Treasurer estimated 600.00 would cover expenditures balance of the year, namely, 1st installment of taxes, insurance, utilities, etc.

CHURCH BUILDING

Building represents a cost of 15,925.00 to date. It is estimated that an additional 1000.00 will be need for electrical supplies, lights and heaters; and another 1500.00 to cover the cost of floors and interior finish. All plumbing fistures are paid for however there remains to be installed the septic tank and leach field.

Plans call for two wing walls to be built of native rock; the front wall will extend from the corner of the building to the road and the bank wall to the creek bank. This will leave a level area between the two buildings.

****

It was felt by the House Committee, Mildred Sadler, Chr. and myself that the floor of Community Center should have some attention in the way of a new finish. The matter was brought before the Board of Directors with the suggestion that a gym finish be put on the floor - this finish is on the floors are School and has proved satisfactory. Some of the Directors felt this would be a very good finish however they were concerned with the cost and thought it would be better to wait for dry weather before doing anything.

The matter of a railing in front of Community Center was again brought up. It had been discussed months ago and nothing done. It had been suggested by members of our Garden Group they would like to see a bench type rail with back rest built which could be used as seats and also protect the gardeh strip from further damage by foot traffic. Some of the Directors felt this type of railing was good and would not be hazardous, however cost and labor entered the picture and no action was taken.

Also brought to the attention of the Board the fact that Allied Arts had appointed a Committee to get quotations and samples of a floor covering for the Assembly Room and Kitchen and that installation would be done by Allied Arts. Felt that the matter should be taken before this Board for their approval of the project. There was no apparent objections however some of the Directors were of the opinion a subflooring was not necessary, what was the matter with a tile type floor, quotations exhorbitant, should have a 1/2" subflooring instead of 1/4" looking forward to the day when hard wood floor would be installed in Community Center - utter confusion - however it was the opinion that a Tessara type covering would be more satisfactory than tile.

Request was made to have something done about the firehouse door to eliminate the difficulty of opening and shutting it. Had assurance that the matter would be taken care of.

Parent Teachers Club spoke about a plan being worked out between them and our new Deputy Sheriff Lampros. Mr. Lampros has done considérable work with Boys and their present plans call for the use of Community Center once a week and the Boys would be instructed in tumbling, boxing, wrestling, etc. He calls his project "Parental Participation" and would insist on such participation. Parent Teachers Club would be financially responsible. There was no objection by the Board of Directors and all felt that it would be a worthwhile project.

President Eustis appointed Nominating Committee comprised of the President or Head of each member organization and the President of P. T. C. Mrs. Roland McCready was named Chairman. This Committee to submit name of Director for the year 1961.

P. T. C. Mrs. Roland McCready, Chairman
A. A. Mrs. A.A. Eustis
Preg. Club. Mr. Thos Tawns
Vol. Fireman, Mr. Wm. Kurtz, Chief
Com Church Mrs. Jos Bordanaro

It was also decided that a Covered Dish Supper precede the Annual Meeting in February 1961

Minutes for the Allied Arts Meeting of October 21, 1960

The meeting was held in the Community Center with 32 members and guests. The ~~treat~~ reading of the minutes of the previous meeting were approved as read. The treasurers report showed a balance of $1,352.12 in the commercial account and $4,738.39 in the savings account.

Mrs Green gave a report of the Community Center meeting held Thursday night Oct. 20. She said there was $1,419.04 in the general account of the C.C. and that $15,925 had been spent on the chapel to date. It was discussed and decided that the floor of the large hall needs refinishing but that a gym finish should be put on when the weather is dry. A bench type rail for the front of the community center was discussed and action will be taken some time in the future. The P.T.A. asked permission to sponsor a parental participation group of young teenagers in town under the direction of Mr Sampros, our new deputy, who will coach them one night a week in boxing ~~and~~ tumbling & wrestling

Mr Green ~~She~~ then reported that only 3 workers from Allied Arts had come on October 15 to clean the C.C. grounds but lunch had been served to 16 people at a cost to the Allied Arts of $3.87. It was decided that a pot luck

dinner be served before our yearly C. C. meeting the first Tuesday in February.

Mrs Green reported for the committee getting information on the linoleum the A.A. is buying for the kitchen and small meeting hall of the C.C. She showed samples and had gotten 3 estimates, the lowest being $635.00 for all vinyl tile in the terrazzo design with a teak floor of one quarter inch plywood. After some discussion Mrs Helen Hubbard made a motion that Gene Reinhardt seconded that the linoleum be laid now by professional men.

Mrs Eustis then named her committees for our Christmas Bazar. Bobby Sherbey will have charge of the lunch assisted by Florine Moreland, Morge Leslie, and Rasmussen. Plants Barbara Sherpey, and Anne Leary. Needlework Helen Hubbard, Annabel Johnson, Mary Gennette, and Dorothy Jennings. White Elephants Marion Sigmund and Geneva Reinhardt.

She appointed Alice Cavanaugh, Margorie Rasmussen, and Helen Hubbard on the nominating committee for new officers for 1961

The meeting was adjourned at two o'clock and Katherine Eubanks gave us a most interesting demonstration of floral arrangements. The meeting broke up about 4 o'clock.

Pres. Eustis has designated April 15th as clean up day at Community Center.

He has also asked that a schedule be set up for maintenance of the planted area during the summer months. Member organizations are being asked to participate.

He also advised that the Volunteer Fire Department had requested permission to construct a dry rack for the fire hose alongside of the fire house. They had been advised it would be impossible to build anything on any community property without first referring the matter to the Bldg. & Grounds Committee and that there might be objections if it would prove to be unsightly. It was the opinion of some of the Directors that it was more important to the community to have adequate fire protection facilities regardless of whether it was sightly or unsightly. The matter is being referred to the Bldg. & Grounds Committee. Lee Sefton, Director V.F.D. stated that it might be possible to install the dry rack inside of the fire house. (

Pres. Eustis has asked that the matter of a 4th of July Carnival be referred to member organizations for recommendation as to dates. The 4th falls on aTuesday this year. Progressive Club has recommended the week end preceding the 4th with the final decision left to the Board of Directors whether the Carnival be run for two or three days.

Report of the Directors of Community Center for July 25, 1961. The meeting was attended by Joe Bordonaro, Lester Sadler, Ada Morelle, Elsie Watts, Lee Septon, Nina Wold, and Gene Reinhardt and Vin Eustis.

Lester Sadler reported that he had met with Mr Broemel about a reduction in the taxes for the Community Center, fire house and chapel. The chapel and grounds are exempt from taxes also the fire house and the taxes on the Community Center were reduced 2/3.

A report was read from Mrs Green stating that she had an estimate for putting a tile floor in C.C. of $228.00. A motion was made by Gene Reinhardt and seconded by Lester Sadler that at least one other bid should be considered first. Another motion was made by Joe Bordonaro which I seconded that should another bid be lower the chairman, vice chairman and treasurer be empowered to accept this bid and order the work done

A letter of resignation from Elting Hubbard was read stating that he was resigning from the three committees he is on. Mr Eustis then read a letter he had written Mr. Hubbard stating that he hoped he would reconsider. Mr Eustis asked Bill Kurtz to take Mr. Hubbards place.

A letter was read from Mrs Green saying she should have a copy of all correspondence concerning the Community Center.

Mrs Gilbert has mentioned the C.C. in her will but the amount is not known

at this time.

Nina Wald made a motion which was seconded by Elsie Watts that the church not be charged for the five days they used the C.C this summer for bible school.

The name of the chapel was discussed, but suggestions will be given the various organizations later to be discussed.

Stinson Beach is acquiring a new piece of fire equipment and an ambulance. There will be a need in enlarging the fire house to house this new equipment. Also the need for a new storage space was discussed for rummage, and it was the general opinion that these two additions be turned over to Aron Jenkins the architect.

Lee Sexton brought up the subject that some limbs of the tree in back of the C.C. should be trimmed because it was over the chimney. The firemen will trim the limbs. The same tree needs some tree surgery and this subject was referred to the building and grounds committee.

The meeting adjourned at 10 o'clock.

Minutes for Allied Arts Meeting for September 15,

The meeting was held in the C.C. with 30 members and guests and Bobby Shockey and ~~Eleanor K~~ Barbara Sharpey were the hostesses. The business meeting was at 8 oclock. After the approval of the reading of the previous minutes the treasurer reported a balance of $1,407.79 in the commercial account and $5000.00 in the Savings account.

Mrs Green gave a report of the rummage sale and I gave a report of the meeting with Gron Jenkins in regard to a future storeroom for the Allied Arts. A store room between the firehouse and C.C. is possable, but the exact size depends on several things that can not be determined at this time.

The December 2-3 Xmas. bazar was discussed, and as no one was willing to act as chairman it was decided to go ahead with the board of directors acting as chairmen.

Mrs Green reported that the four boxes of Little Theater costumes were now boxed, sealed and stored.

The tea for Ethel Hain will be Friday September 22 from 2-4 and she will be presented with a money tree. Sandwiches, cake, tea & coffee will be served.

Our October meeting will be held in Ania Engstroms home and Virginia Porter will speak about Thanksgiving.

The meeting was then ~~has~~ turned over to Mrs Emy Hall who talked on her early family history and her life in Colorado.

The meeting adjourned about 3 o'clock and refreshments were served.

The meeting was held in Cora Engstroms home with 18 members present. Dorothy Nye and Marion Siegmund were hostesses. The reading of the previous minutes were approved as read. The treasurer reported $1,395.09 in the commercial account and $5,022.02 in the savings account.

Mrs Green stated that she had written the fire men asking that they take all of the Allied Arts property from the fire house and store in the Chapel. Bobby Shockey said that Barbara Sharpey, Ann Leary and herself known as the "flower Girls" would like to put up a red wood fence, 6 ft high with two gates around the patio in back of the C.C. if the Allied Arts would loan them the cost, approximately $175.00, to be paid back from the proceeds of the flower show the following May. A motion was made and seconded that the Allied Arts do this.

Mrs Shockey spoke of the first aid course to begin Wednesday October 25 for a session of six weeks, from 10-12, to be taught by a ranger from Muir ~~Beach~~ Woods. It will be a red cross course sponsored by the womens auxillary of the S.B. fire department. The meeting was at 10 o'clock in the home of Mrs Green with the following directors present, Harriet Green, Ruth Miller, Blanche Eustis, Bobby Shoebey, Grace Nye, Margie Rasmussen Helen Hullverson ~~and~~ Rosetta Bull and myself.

The meeting was held for the specific purpose of discussing the feasability and advisability of the Allied Arts building a storeroom between the community center and fire house. The majority of the women favored such a building although ~~it was not~~ the chairman did not put to an official vote. It was decided after discussion to let several members get approximate bids from contractors and report at the next meeting.

The next meeting will be a business meeting at the C. C. and it will be bring your own sandwich meeting on November 7.

The silent auction was discussed as a possibility for our Xmas. bazar but no decisions were made as to who would manage it or whether we would have it or not.

Subsequent to our meeting Monday morning October 30th I have made notes of this meeting and enclose a copy for you. These notes are my own and id you have anything to add would be glad to hear from you.

I want to state that I am not FOR or AGAINST building a store room - that decision will be up to our members.

However, my personal feelings in the matter are that we should consider what the greatest benefits would be to S.B. Community Center, Inc., of which we are a member; in building a store room, primarily for the storage of rummage or using our savings on improvements. I can think of many improvements that could be made (and I don't mean that they should be done all at once) some of which are:

Permanent hard wood floor for Community Center
Adequate outside lights on front porch
Redecorating small room
Enlarging present store room (we felt this was a good idea at one time and offered to pay for materials)

and who knows what might come up in the future.

This matter will come up at meeting Nov. 17th for decision whether or not we go ahead with plans for a store room and I hope you will give some thought to the matter and will express your ideas at that time. Each andevery Director should be heard from; if you are in favor of going ahead with plans do not hesitate to say so. It will be up to the majority.

Now that this is off my chest - will forget about it until the meeting.

Sincerely

Minutes for Allied Arts Meeting for November 17, 1961

The meeting was held at 12.30 in the C.C. with 23 members present. The minutes of the last meeting were approved as read. The treasurers report showed $1,403.09 in the checking account and $5,000.00 in the savings account.

The matter of the store room was then discussed. Several people had gotten rough estimates from contractors in town. Mrs Tawn said $7.50 per square foot and advised a tar and gravel roof. Joe Lawrence quoted $6.50 to $7.50 and the contractors working on Mr. Morse's new building said $6.50 square foot. After considerable discussion Mrs Shelby made a motion which was seconded by Mrs. Eustis that we try using the basement of the chapel as a work room and store room for one year and see how that works.

Helen Hubbard made a motion which was seconded by Mrs Eustis that I write the C.C. directors asking how soon they could have the basement cleared for our use and asking them to reply in a letter.

I was asked to contact Ann Jenkins and ~~ask~~ offer to pay him for the work he did on the store room.

Our bazar will be Dec 2-3 hours, 10-5 on Saturday and 11 to 5 on Sunday. Lunch will be served from 11-1 on Saturday and tea will be served on Sunday. Bobby Shelby and Barbara Shelby will cook the lunch which will be $1.00 and other members will serve. Mrs Hubbard will decorate the tables and

mantle.

All consigned merchandise will have to have two lists one to Mrs Green and one to keep, also pay 2% to the Allied Arts and handle their own cash. The church will have a food sale, the churchettes will have a booth, Aina Engstrom a booth, a sewing booth, Mrs Sharpy will have plants, a white elephant booth managed by Marion Sigmund and Gene Reinhardt, and Glenna Boland will have a silent auction booth.

Ruth Miller will handle advertising and the churchettes will be asked to put mimeographed notices under each door. There will be an add in the Baywood Press and post cards will be sent to out of town residents. The firemen will be asked to put the tables in the hall and each booth will have to set up their own display.

Ruth Miller suggested we give the C. C. V. memorial fund $5.00 in memory of Robert Seopield.

Our annual Xmas party will be at 12.30 on December 15. It will be a luncheon which Grace Nye and Margie Rasmussen will have charge of. There will be an exchange of presents and Rozetta Bull will take charge of the Punch Bowl.

Mrs Green announced that the Progressive Club will sponsor the community Xmas. tree this year and there will be a party around it one night

Grace Nye announced that she hoped the Allied Arts would sponsor 25 women in

the Texas Valley County Hospital. All appropriate gifts accepted and we voted to give a check of $25.00 to be used by the person in charge to buy gifts.

It was decided we give the flower girls the ply wood which came from the fire house, to be used for display purposes for the flower shows, providing they take it away.

Mrs Green appointed Marian Segmund, Bobby Shabey and Ann Leary to be on the 1962 nominating committee.

There was no regular business meeting for April 1962.

Minutes of the Allied Arts Meeting for May 8, 1962

The meeting was held in the C.C. at 12 o'clock with 14 members present. The hostesses were Mesdames Siegmund, Jeffers and Reinhardt. The president called the meeting to order after lunch. The minutes of the March meeting were approved as read. The treasures report showed a balance of ~~$706.35~~ $706.35 in the commercial account and ~~$~~ $5,075.45 in the savings account. She stated that the wild flower girls had reimbursed the Allied Arts for the money advanced for the flower show and they had a surplus of $82.08 which is included in the above balance.

The first order of business was the amendments to the Allied Arts by laws which were ratified May 24, 1946. Mrs Green read the old by laws and after some discussion it was agreed that there should be two changes. In Article 6 it was stated that 15 members in good standing shall constitute a quorum. This was changed to eleven members. And article #11 was changed to read, "In the event of a sale of any art or handcraft or article belonging to a member made at any event conducted by this organization or sent there of, a percentage of the gross proceeds shall be paid to the treasury of this organization; the percentage to be determined by the board of directors." Alice Cavanaugh made a motion that the by laws be accepted which was seconded by Helen Hubbard.

A discussion then followed about

the feasability of the Allied Arts buying an acre of ground for the Audubon Society. Gene Reinhardt made a motion seconded by Ruth Miller that the Allied Arts sponsor a drive for money to give to the Audubon Society should the drive not meet the $50.00 needed for an acre. Mrs Nye appointed Mrs Green, Anne Leary, Ruth Miller and Gene Reinhardt on this committee.

Ruth Miller made a motion which was seconded by Bobby Sherpey that the Allied Arts give $50.00 from the rummage sale toward new hardwood floor for the A. C. when it is decided who shall do the work.

There was a general discussion about the littered and dirty condition of the town. Ruth Miller made a motion that we reactivate the civic improvement committe, which functioned years ago, and see what response we could get. This motion was seconded by Marion Segmund. Mrs Nye appointed Helen Hubbard, Barbara Sherpey, Mrs Green and Gene Reinhardt on this committee.

I gave a report on the last two trips of the Allied Arts and announced that we would go to the De Young Museum on Tuesday May 29 to see the exhibit of Chinese Art, leaving here at 9.30 and leaving lunch after the museum. A trip to Angel Island will be planned next.

Mrs Nye said our next meeting would be June 15 at 1:30 in the C & C with Mrs Shattuck from R. G. & E. giving a demonstration.

The meeting was adjourned at 2:30

Pres. Nye presented check for $25.00 which had been received from Nora Hawkins. This gift was made to Allied Arts with the suggestion that it be used to buy something in honor of her parents 50th Anniversary Alice & OB Cavanaugh. In consideration of the intent of the donor the Board recommends acceptance.

Dir. Greene brought up the matter of the revision of the By-Laws, stating they should be ratified by the members as soon as possible. She read revised draft as prepared by the Committee (B. Eustis, H. Greene and Ruth Miller). The Board moved approval as revised and recommended matter be included in the Agenda for the May 18th meeting.

Dir. Greene also brought up the matter of the recent State Legislation under the Calif. Restaurant Act as it effects Civic, Social and Religious Organizations. Matter was discussed by Directors - and will be brought up May 18th at general meeting

Rent 10% gross	89.48	
Total Expenses	258.75	612.72
Balance - Wild Flower Committee Account		282.08

Rummage Sale Announcement Dir. Greene read proposed announcement which was approved. Authorization was given to have 500 copies printed to be mailed to list of property owners (about 450). Greene will follow thru and get same in mail at earliest possible date. It was reported that some rummage has been coming in and stored in the basement of the Church.

Canyon Ranch - Audubon Society In the spirit of community interest and possible cooperation by the community the matter of buying "an acre" was discussed. Some individuals have indicated willingness to contribute towards a fund for "an acre" and it was the opinion that Allied Arts might sponsor a drive for funds for that purpose; making up the difference. Cost of an acre 850.00. Purchase would be made in the name of Stinson Beach Community. Matter to be referred to members at May meeting.

Community Improvement It was decided this matter be brought before the members at the May meeting for action as an organization in an effort to appeal to property owners to clean up their property, especially along the State Highway and particularly the dump area at Tawns Motel. We hear of many complaints about the unsightlyness of the Village and the bad impression it makes on through traffic not to mention the eyesore to residents.

REPORT TO STINSON BEACH ALLIED ARTS
ON
BOARD OF DIRECTORS - S. B. COMMUNITY CENTERINC
MEETING HELD NOV. 5, 1962

Treasurer reported balance cash on hand 3583.62 - ~~all outstanding bills paid~~ Bills in amount of 292.42 were approved for payment

There was no report available from the Building & Grounds Committee - no member being present. Matters pending under this Committee are Lights for the front and patio of Community Center, plans for wing walls, Landscaping, Patio clean up.

The Church Building Committee was authorized to get bids on installing gutters and downspouts for the building and to arrange to have this work done before the rainy season commences.

Mr. C. J. Green spoke to the Directors about needed improvement of the creek area to stop further erosion. This matter is being investigated.

Endeavored to get information as to hwne the basement of the Church would be finished as work room. No definite answer.

Requested authority to have shelves built in locker formerly used by the church in the storeroom, for the storage of dishes. Authority was given. There is lumber in the attic which can be used for the purpose.

Directors approved allotment of storage space in Church Building for member organizations and the right corner closet has been reserved for Allied Arts.

The matter of the finishing the back wall (behind match stick drape) of Community Center for a screen was discussed. Directors approved such a project and it was suggested that a roll up screen would be preferable to a finish on the wall. In connection with this matter the Church Teens are now working on a project to raise money to buy a projector for Community Center.

Directors voted to cancel out "loan" of 2000.00 which was in the Memorial Fund that turned over to the Church Building Committee during construction. In other words Memorial Fund has gone into the construction of the Church and should remain. Contributions to Memorial Fund, in future will remain in Memorial Fund until such time it is needed and voted for some other project.

The House Committee requested a "ruling" on the serving of spirituous liquors in Community Center. It was pointed out that at no time can liquor be sold on premises but the serving of such is another matter. It was also the opinion that if the serving of liquors was approved it would open up a source of potential revenue to Community Center; such as wedding receptions etc. All reservations would have to be approved by the House Committee and they would be authorized to act in the best interest of the Community Center. It was decided to refer this matter back to all member organizations for their recommendation.

In connection with a new hardwood floor for Community Center, there didn't seem to be any immediate interest in pursuing the matter so under the circumstances the matter can be dropped for the present. Several months ago the Community Center set up a fund for a new floor - the sum of $150.00. Allied Arts indicated some time ago an amount of I believe $500.00 would be made available from proceeds of the rummage sale

STINSON BEACH ALLIED ARTS
ANNUAL REPORT TO S. B. COMMUNITY CENTER, INC.
FOR THE YEAR 1962

During 1962 this Organization was served by the following Officers:

Grace Nye	President
Aina Engstrom	Vice President
Blanche Eustis	Secretary
Harriet Greene	Treasurer

and the following members served on the Board of Directors:

Annabel Johnson
Marian Sigmund
Roberta Shockey
Anne Leary
Rosetta Bull

In 1962 we had a paid membership of 70. We held 8 regular business meetings, 3 program meetings and in December held our Anhual Christmas Party.

Our program meetings consisted of: Portable Appliance Cooking School arranged by Pacific Gas & Electric Company and featured Miss Viginia Shattuck, Home Economist; Picture slides of Africa shown and narrated by Mrs. Nora Hawkins and Film of Audubon Canyon Ranch with speaker Mr.Wm. Picher, President of the Marin Audubon Society.

During the year our Chairman of Trip Committee arranged for the following outings:

Sausalito shopping tour and lunch
Visit to Fiesta of Flowers in Golden Gate Park - with picnic lunch
Visit to De Young Museum
Beach Trip - Bolema Club
Boat trip to Angel Island - 58 members and friends made this trip

Our main money raising projects for 1962 were the Rummage Sale and Bazaar.

We sponsored a project to raise funds for the purchase of an acre of land for Audubon Canyon Ranch. We were successful in our campaign as a total of $466.00 was received from individuals toward this project and the balance of $334.00 was made up by Allied Arts toward the purchase price of $800.00. A check was presented to Mr. Wm. Picher, President of the Marin Audubon Socity in the amount of $800.00 at our Christmas Party in the name of the Community of Stinson Beach.

In January 1962 we voted a contribution to S.B. Community Center Inc the sum of $1000.00 and in addition paid annual rent, rent for the use of the Center for special occasions as well as rent covering Bazaar. Rent covering Bazaar is on a percentage of the gross and a check for $72.22 was sent to Community Center.

We also paid for material and labor for redecorating the kitchen and assembly room. We made contributions to the Memorial Fund.

Our Rummage Sale was held in August. The Volunteer Fire Department participated on a cooperative basis and handled the furniture department. Proceeds, exclusive of the furniture department were shared with Community Center and a check for $656.90 was turned over. The Volunteer Fire Dept. elected to turn entire proceeds from the furniture department over to Community Center and the sum of $177.12 was included in check. A total of $834.02 was realized by Community Center as a result of this project.

The ladies of Community Church were afforded the opportunity of participation in this project and they held a bake sale, served lunch and snacks during the sale with proceeds going to their fund.

Early in 1962, the Wild Flower Committee applied for Unit status in Allied Arts and became an important part of this Organization. The May Wild Flower Show was again a great success and the sum of $89.48 was paid Community Center to cover rent for the project.

For the benefit of those who are not familar with the internal affairs of our Bazaar we would like to point out that the Bazaar is primarily held as an outlet for handicraft of its members. In the past we have extended an invitation to other organizations to participate in the bazaar which gives them the opportunity of raising funds for themselves. And we have reason to believe their efforts have been rewarded each time of participation. The Bazaar is sponsored by Allied Arts and we assume the responsibility of expenses incurred and for the rent. We require each participant to pay 20% of their gross proceeds and we in turn pay 10% of the gross of the entire proceeds to Community Center which covers the rent. Allied Arts provides publicity, posters notices as well as paid newspaper advertising. Parent Teachers Club, Ladies of the Community Church and the Churchteen group participated in our Bazaar last year and their contribution toward the success of the project is acknowledged.

Our one big"splurge" is our Annual Christmas Party and this year 58 members and friends gathered for the occasion. A short business meeting is included at which time Officers for the new year are elected.

As we have stated before membership in Allied Arts is open to all interested persons, both men and women, and we again extend an invitation to those who would like to join us. Dues are $1.00 per year.

I would like to quote two Articles from our By-Laws:

> Article II - Purpose of Organization. The purpose of this Organization is to stimulate and promote creative and cultural activities in Stinson Beach and to support in every way the aims, endeavors and goals of the S.B. Community Center Inc.
> Article III - Membership. Membership in this Organization shall be granted those who are in accord with and will work toward its purpose.

Nov. 12-1963

After a morning of working at setting up tables etc. for the Bazaar the members of Allied Arts held a business meeting - Twenty members were present and there was a full discussion of the upcoming dinner of Friday evening ~~the~~ Nov. 15th Report made that reservations were coming in well.

As to the luncheon for Saturday Nov. 16th - plans were presented for the sandwiches, salads and cakes. All seemed to be proceeding satisfactorily.

President Miller stated there would be a talk for antiques and for anyone with an antique for sale to bring such and sell on consignment

She also reported on the C. C. Directors' meeting - as to addition to building - work to start about the first of the new year - There was the question of painting the exterior of Community Center Bldg. Miss Miller had obtained estimates for the local painters. $515 paint and labor.

Then the discussion questioned whether to spend some of bank account and have interior painted as well. Would probably reduce bank account by half. Mrs. Morland made a motion and Mrs. Sigmund seconded same to do what was necessary. President Miller felt that this was too uncertain and made the suggestion that the Allied Arts group assume cost of interior painting and help pay for the exterior painting. Mrs. Reinhardt guessed an opinion that the rear of building is a disgrace - Mrs. Greene agreed. No plans made for any improvement at this time.

Mrs. Leary and Mrs. Shockley made a motion to have the inside of building ~~plaster~~ painted. Mrs. Morland withdrew her previous motion. A decision made after vote to go ahead with painting plans without obtaining an estimate before voting on same - Would mean less delay in having work done -

Meeting over at 12:00 noon.
